

Concentration Camps

Concentration camps ⇒ set up to 'correct' opponents of regime

Prisoners ⇒ forced to do hard labor + given limited food

⇒ suffered harsh discipline, beatings and random executions

Jews, socialists, communists, trade unionists, churchmen and anyone who was brave enough to criticize Nazis ⇒ ended up here

- so did many Germans who were unfortunate enough to not fit in

revealed in TV documentary 1990s ⇒ German woman informed on her neighbor because she was very artistic.

Historians ⇒ estimate 1.3 million Germans, half a million Roma, countless political prisoners, Jehovah's witnesses, homosexuals, as well as Russian and polish POW's ⇒ spent some time in concentration camps.

→ very few people came out alive and death in camps was very common.
