

Education and Hitler Youth

Nazis ⇒ also prioritized ⇒ making changes to education system ⇒ to gain increasing influence over German Youths

Greater control over schools ⇒ initially achieved ⇒ through regulation of teachers:

- every teacher had to join national socialist teachers league ⇒ training courses ⇒ stressing on Nazi ideology + physical education
- Curriculum was changed ⇒ to reflect greater emphasis on Nazi values
- Included infusing Nazi ideas into subjects like History and Biology ⇒ as well as production of Nazi approved textbooks

great care was taken ⇒ to ensure German youths were indoctrinated with Nazi ideology ⇒ through new institutions ⇒ Hitler youth

- was a paramilitary organization of Nazi party ⇒ aimed to groom German youths ⇒ to be future leaders of Nazi organizations.
- Only had 1000 members when first established but later on had 2.3 million members
- Organized variety of activities ⇒ sports, camps, physical training ⇒ all backed up by indoctrination of anti-Semitism and Nazi ideology.

Although membership was compulsory for Aryan German youths ⇒ many many to avoid it esp. after they left school

⇒ rival youth groups were set up which authorities failed to suppress.
