

Persecution of Minorities

Nazis believed in superiority of the Aryan race.

Through their 12 years in power ⇒ Nazis wanted to use eugenics to improve Aryan race ⇒ through euthanasia and sterilization program.

⇒ persecuted members of other races and minority groups ⇒ Roma, Homosexuals, and mentally ill people.

⇒ persecuted any group that they felt challenged Nazi ideas.

300000 men and women ⇒ forcefully sterilized between 1934 and 1945.

Euthanasia program ⇒ of disabled and mentally ill people ⇒ even if they were of Aryan race ⇒ began in 1939.

at least 5000 disabled babies and children ⇒ killed between 1939 and 1945 ⇒ by either injection or starvation.

Between 1939 and 1941 ⇒ 72000 mentally ill patients ⇒ gassed ⇒ before public outcry in Germany ended extermination.

there was little protest of Roma.

$\frac{5}{6}$ Roma living in Germany in 1939 ⇒ killed by Nazis

Little to no complaint about treatment of homosexuals, and so called asocial ⇒ alcoholics, prostitutes, homeless.

Habitual criminals, beggars ⇒ rounded up off streets and taken to concentration camps.
